

TATREEZ DESIGN

COOKIES POLICY

We wish to inform you that our website uses cookies to analyze user navigation.

Cookies are files that are installed on the computer from which you access our website for the purposes described on this page. The application that we use to obtain and analyze the navigation information is:

GoogleAnalytics:

<http://www.google.com/analytics/>

<https://www.google.com/analytics/learn/privacy.html?hl=es>

This application has been developed by Google, which provides us with the analysis service of the audience of our page. This company can use this data to improve its own services and to offer services to other companies. You can know these other uses from the indicated links.

This tool does not obtain data of the names or surnames of the users or of the postal address from where they are connected. The information obtained is related, for example, to the number of pages visited, the language, the social network in which our news is published, the city to which the IP address from which the users are assigned is assigned, the number of users they visit us, the frequency and recidivism of the visits, the visit time, the browser they use, the operator or type of terminal from which the visit is made. We use this information to improve our website, detect new needs and assess the improvements to be introduced in order to provide a better service to the users who visit us.

To allow, know, block or eliminate the cookies installed on your computer you can do so by configuring the browser options installed on your computer.

We use different types of cookies. Next, we indicate the main characteristics of them in this table:

Type	Name	Expiration	Purpose
Logged User Cookies	PHPSESSID	1 year	PHP session control. They store temporary information to allow site functionality.
Cookie consent cookies	cookieconsent_status	1 year	Controls whether the user has accepted the cookie policy.
Google analytics	_ga	2 years	They enable the control of unique visits.
	_gat	2 years	The first time a user enters Tatreez

TATREEZ DESIGN

Type	Name	Expiration	Purpose
			Design through a browser this cookie will be installed. When this user re-enters our page with the same browser, the cookie will consider that it is the same user. Only in the case that the user changes the browser, Google Analytics will consider another user.
Facebook	fr	3 months	Facebook cookie The first time a user enters Tatreez Design through a browser this cookie will be installed. The Facebook API installs it when using features such as sharing.
